# WOMEN OF VISION AND DESTINY: SPECIALIZING IN FAITH BASED TEACHING

## WOMEN OF VISION AND DESTINY, INC.

is a cluster of women who choose to make a difference in our world by achieving our God given purpose.

We are a faith based teaching company designed to

use Biblical principles to promote best living for women and men. We want to empower people to become significant contributors of their households, community, jobs and society.

## OUR VISION & MISSION

Our vision is to use the gifts that God

has given us to build and develop the purpose and passion of women and men.

Our mission is to provide powerful training to help individuals realize their full potential and live successful lives.

**OUR DREAM** is to build a Christ centered educational complex and sanctuary for women with a state-of-the-art training center, 24 hour chapel, classrooms, library, kids care, cafe, office space, hair salon, spa, wellness rooms, and short-term dorms for abused women and run-away teens.

*"Thus saith the LORD, as the new wine is found in the cluster, and one saith, Destroy it not; for a blessing is in it: so will I do for my servants' sakes, that I may not destroy them all." Isaiah 65:8*

## BIBLICAL INSIGHT: CLUSTER ANOINTING

One grape does not contain enough wine to have much affect on anybody. But when many grapes contribute to the wine, then there is enough to make a big impact. Spiritually, when a cluster anointing exists, it causes you to dream bigger dreams than you can dream by yourself. It enables you to be a part of accomplishing something for God that is larger than anything you could do alone.

**Women of Destiny Bibles.** We have given away approximately 800 *Women of Destiny Bibles* free of charge. This Bible changed our lives and we want it to change the lives of others.

**Bags of Impartation™.** These "gift" bags are designed to uplift the spirits of all types of people including business women, homeless families, kids, and ex-convicts. The bags impart a blessing by bringing smiles to recipients.
